

GUIDELINES FOR DIALYSIS TECHNICIAN LICENSURE WITHIN DHCC

An applicant for licensure to practice as a dialysis technician in the DHCC must meet the following requirements in order to qualify for licensure:

Dialysis Technician:

- Completion of a dialysis technician program from a recognized educational institution, college or university
- A current license, registration or certificate to practice in good standing
- 2 years experience in designated field
- Current and valid Basic Life Support (BLS)
- English proficiency programs, if the language of instruction of the dialysis technician program is not in English
- Favorable references
