Brand Core Elements
Dubai Healthcare City

The Brand Signature

The Dubai Healthcare City brand signature is unique. The brand signature consists of the brand mark and the word mark. No modifications to the position, size, proportions or colour of any elements of the brand signature are allowed, unless expressly defined in this Visual Standards Guide.

Always use the digital artwork provided.

Brand Signature - English

Brand Signature - Arabic

Brand Signature - Bilingual

Vertical Logo

Clear Space

An area of protection has been defined surrounding our Signature. This area of protection or exclusion zone is defined by the value x present in the Signature.

To protect the integrity and legibility of the Signature this exclusion zone should be kept clear at all times, no graphic elements should stray into this area.

Minimum Size

Our Signature retains its visual strength in a wide range of sizes. To retain legibility, printed reproduction of the logo is restricted to the minimum sizes shown below.
