DHCR Licensure Requirements for Complementary & Alternative Medicine (CAM) Professionals Guidance for Applicants

Introduction

Dubai Healthcare City Authority – Regulatory (DHCR) regulates and licenses healthcare professionals in Dubai Healthcare City (DHCC). This guideline has been prepared to define the minimum licensure requirements for professionals intending to obtain a Dubai Healthcare City Authority (DHCA) license to practice in DHCC as Complementary and Alternative Medicine (CAM) professionals. The CAM applicant must comply with:

- The General Requirements for Licensure as a Healthcare Professional¹; and
- The specific profession's minimum licensure requirements listed below

1- Purpose	
1.1	To set the minimum qualifications and experience required for CAM Professionals to obtain a DHCA license.
1.2	To ensure that a DHCA-licensed CAM Professional in a field has the required training, knowledge, and experience to perform as a qualified CAM professional.
1.3	To ensure a high quality of service necessary to protect patients and consumers in DHCC.

2- Scope of Application	
2.1	The guidelines communicate to CAM professionals, Healthcare Operators with relevant CAM services, or other DHCA relevant departments regarding the minimum licensure requirements of CAM Professionals.

3- Applicable to:	
3.1	<ul style="list-style-type: none"> - All healthcare professionals intending to apply for a license to practice in DHCC under the CAM category and its specialties and subspecialties; - All healthcare operators providing or intending to provide CAM services in DHCC. - All regulatory departments involved in licensing, inspecting or evaluating CAM Professionals.
